Dear Parent / Carer

Re: Year 9 - HPV Human Papilloma Vaccine

On Tuesday 8th June 2021, students in Year 9 will receive their HPV Human Papilloma Vaccine in college and this is a good opportunity to ensure that your child is fully protected.

Derbyshire Community Health Service (NHS) are now using an e-consent form as detailed below.

Dear Parents/Carers of Year 9 students

We will attend school during the summer term to vaccinate Year 9 students with the HPV Human Papilloma Vaccine.

We have already got consent forms for the majority of Year 9 students and most have already been given their 1st HPV vaccination, however there are still some Year 9 students that would like their 1st HPV vaccination but were unable to receive this last year due to the COVID pandemic.

If you have already completed the HPV consent form we will vaccinate with either the 1st or 2nd dose of HPV during the summer term at school. However if you would like your child to receive their HPV vaccinations and you haven't already completed the consent form please visit [Vaccination Consent \(derbyshireandcityimms.co.uk\)](http://derbyshireandcityimms.co.uk) to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for **Springwell Community College** is **DD112966**

For more information about the vaccination and the date we are due into your school please visit our website: <http://www.derbyshireschoolnurses.org.uk/parents/immunisations>

If you experience any problems please call the School Age Immunisation Team.

Repton: 01283 707178

Clay Cross: 01246 252953

I feel it is important I make you aware that all students will meet with an immunisation nurse and your child can give his/her consent to have the vaccination, **even if you have not completed the e-consent form.** Therefore, should you have any objection to your son or daughter receiving the injection or should you have any other concerns please contact Mrs Rodgers, Pastoral Administration Manager, on the college number.

Staff from the college will be on hand to support students who may feel nervous or apprehensive.

On the day of the injection it is advisable that your child wears a short sleeve college shirt and has a bottle of water with them.

Yours sincerely

Miss H Staton
Deputy Headteacher
