8th February 2021

Dear Parents / Carers

**Re: Year 9 Virtual Options Evening
Monday 8th February**

We are now approaching the time in your child's education where they need to make choices about the subjects they wish to study in Year 10, in order to set them on the right path for further education or training and their future career.

I would like to invite you to view our virtual options evening information which is available from 8th February, where you can find out more details regarding the subjects that are available and what would best suit the particular skills, aptitudes and ambitions of your child. (Please [click here](#) to access the information on our website)

Please note the deadline for the completion of the online options choice documentation is Monday 1st March 2021.

We do hope that you find the process informative and helpful in supporting your child in making appropriate decisions for the next important stage of their education. If you have any subject specific question please e-mail the relevant faculty leader or for general enquiries please e-mail options@springwellcc.org.

Yours sincerely

S Birks
Assistant Headteacher
