

**Please note: Legally students can self-consent on the day, however this creates much more work for staff and the team.**

Dear Parents/Carers

The college has been in communication with the School Immunisation Team and whilst the date of your child's vaccination has changed the service have requested that you complete the form as soon as possible to allow them to process your child's details and order their vaccination. Please note; vaccinations are no longer carried at your doctor's surgery.

From September 2019 we will be using e-consent for the Teenage Booster, and Men ACWY vaccination programme. We will be vaccinating girls and boys in Year 9.

Please visit <https://www.derbyshireandcityimms.co.uk/Forms/DTP> to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for **Springwell Community College** is **DD112966**

For more information about the vaccination and the date we are due into your school please visit our website: <http://www.derbyshireschoolnurses.org.uk/parents/immunisations>

If you experience any problems please call the School Age Immunisation Team.
