Dear Students from the class of 2020

I hope you are continuing to do well at your current stage of education and training. We have heard some great stories of many of you doing Springwell proud!

Now that the college is fully open to students and some of the restrictions in place are starting to ease, we are able to open our reception area to allow you to collect your GCSE and BTEC certificates.

From Monday 19th April, the college reception will be open from 9am until 2pm each day and you do not need to let us know in advance of your arrival. It should also be possible for you to arrive later in the afternoon if that fits in better with Sixth Form, College or your Apprenticeship. If you would like to arrange a later collection time, please email Mrs Harrison kharrison@springwellcc.org and she will set that up for you. Please also note that, if you cannot get to the college, someone else can collect your certificates for you. All that they will need is a signed letter from you giving them permission to do so.

We are also currently working on some plans to have a leavers' day for you in the summer term. This will depend on the restrictions in place at the time and more details will follow in the next few weeks so please keep an eye on our social media channels.

With best wishes as always.

Yours faithfully
