

28 May 2021

Dear Parents and Carers

The DfE have not supplied us with LFD home test kits to cover the half term. They have assured us they will send a batch next week. I appreciate that some families may run out of LFD tests over half term. Families are still asked to continue to test each Sunday and Wednesday and to record results with both the NHS and the college. We appreciate this has made testing less convenient but ask that you work with us to ensure the safety of everyone in the community.

Tests are available to order online for free using this link: <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Alternatively you can collect test kits from Queens Park in person.

Once the delivery has arrived we will open the college reception in order for you to be able to collect replacement test kits if required – you will receive a text message once these arrive.

Yours sincerely

Ian Wingfield
Headteacher
