

22nd July 2021

Dear Parents and Carers

End of Year 10 grades

Your son/daughter's end of Year 10 grades are now available to view on Go4schools under the 'current grade' heading.

We have used a combination of end of year exams, and ongoing teacher assessment, to arrive at these grades. Any missing subjects will be down to student absence during the June/July assessment period in subjects exclusively or primarily using end of year exams to formulate a grade.

Under normal circumstances we would have shared these grades with students in college, and their subject teachers would have had the opportunity to discuss these with students; we're disappointed not to be able to do so this year. However, if you have any queries, please contact me directly at medwards@springwellcc.org. I will direct your enquiry to the appropriate faculty, but please be aware that feedback to students will take place upon our return in September.

Kind regards

Martin Edwards
Assistant Headteacher (Assessment)
