Dear Parents and Carers

I would like to invite you to our first Parents and Carers Forum meeting of the academic year. This will be held in the college library on Tuesday 12 October, from 6-7pm.

Parents and Carers Forum meetings are designed to give you a greater understanding of the work of the college. They consist of presentations from college staff and there is also the opportunity for you to ask us any questions you may have. This meeting is for parents and carers of students in all year groups and the agenda will be as follows:

- The start of term - what's new this year
- Feedback from parents and carers on the start of term (Year 7 parents and carers will be grouped separately for this item so that feedback from a new starter's perspective can be taken)
- Plans for future meetings

Please note that Parents' forums are different from our Parents' Evenings. There will not be the opportunity for you to receive an update on how your individual child or children is/are progressing generally. This opportunity will arise later in the year when tutor and then subject teacher parents and carers evenings take place. If you did have a specific concern in this regard in the meantime, you are always welcome to get in touch with us and this page on our website <https://www.springwell.ttct.co.uk/contact/who-to-contact/> gives you more information on how to do this.

I hope you will be able to join us on 12 October.

Yours faithfully

A handwritten signature in black ink that reads "I. Wingfield".

Mr I Wingfield
Headteacher
