Dear Parents and Carers

We are looking forward to welcoming your child(ren) to Springwell tomorrow morning for their first day of secondary education. We will be meeting and greeting our students at the main gates from 8.15am onwards where we will direct them to where they need to be.

Please could you ensure you send your child in with either a packed lunch or money to purchase lunch. PE kits will not be needed tomorrow.

During the day your child will be offered a Lateral Flow Device COVID test. These are nasal only tests and are carried out by the students themselves under supervision. Mass testing allows us to reduce the risks of COVID-19 to all members of the college community.

Please click on the link below to give your consent. Please could you do this even if you have previously provided consent as the required information has changed over recent days.

By this time tomorrow we hope that your child will have returned home full of excitement and looking forward to continuing their Springwell journey.

Yours faithfully
