Dear Parent

Across our Trust, we have vacancies for co-opted and Parent Governors and I am reaching out to you to ask whether you may have capacity to be a Governor in one of our academies.

The Two Counties Trust is a family of schools with a shared ethos, common values and collective goals. We aim to transform the lives of children and young people and to release their potential through excellent education and the opportunity to acquire new skills. All schools within our Trust are united in their vision to rapidly improve the learning experience of their students and raise the aspirations of the local communities which they serve.

Our Trust Board is supported by a Local Governing Body (LGB) in each school, each with its own Governance Professional and to support the link between the Trust Board and LGBs, there is a named Trustee linked to each.

The Trust appreciates and values its Governors and provides ongoing free training to support Governors in their role. Each LGB has four meetings each year together with two half-day challenge days.

We currently have co-opted vacancies at our following schools:

- Springwell Community College, Staveley
- Selston High School
- Frederick Gent School
- Swanwick Hall School

We currently have Parent Governor vacancies at our following schools:
